

Umpacs Values

Lyhördhet

L

Lyhördhet

Customers opinions will always be the driving force that forms our work strategies and production

Innovation

I

Innovation

Individual and organisational creativity invokes new ideas for products, solutions, techniques and processes. We challenge and question ourselves continually. Improvement is our inspiration.

Kompetens

K

Kompetens

Our most valuable resource is our motivated staff. We attach great value in attracting, keeping and developing individuals.

Effektivitet

E

Effektivitet

We work methodically and learn daily. We streamline our working processes and continually appraise our products and compare them with the markets "best" to always stay –one step ahead.
